

MUD 2 Sheet Mask

Your Ultimate Skin Barrier Support, and Refine.

#Apply, Spritz, Peel

Detoxifying benefits of a traditional mud pack with the mess-free, skin-adhering benefits of a sheet mask.

BARRIER SUPPORT + Advanced Ferment Therapy

Experience next-gen Korean skincare: a mud mask that transforms into a peel-off sheet upon mist activation, combining deep detox with the clean, precise benefits of a sheet mask.

Active Ingredients

Lactobacillus Ferment - 97,000 ppm

Supports skin's microbiome and strengthens the natural barrier.

Sphingomonas Ferment Extract - 15,000 ppm

Helps soothe, protect, and fortify stressed skin.

Niacinamide - 10,000 ppm

Visibly brightens and evens skin tone while supporting barrier repair.

8 Types of Hyaluronic Acid + Panthenol

Deliver multi-layer hydration and long-lasting moisture retention.

Step 1

Apply an even layer of the Mud-to-Sheet Mask to clean, dry skin (face and neck).

Step 2

Immediately mist the applied area with a facial spray to activate the transformation.

Step 3

The mask will begin to set instantly; for best results, leave on for 10 minutes before gently peeling off.
