

SPIDER WEB CREAM

Pro Age Cellular Booster

An ultra-advanced anti-aging solution designed to lift, firm, and restore skin's youthful structure. Inspired by the strength and elasticity of spider silk, this innovative formula deeply hydrates, smooths fine lines, and enhances skin resilience for a sculpted, rejuvenated look.

SPIDER WEB CREAM

Pro Age Cellular Booster

BENEFITS

- Tighten & Firms
- Collagen Production
- Improve Texture
- Anti-Aging

DIRECTIONS

Apply a generous amount to face and neck, gently massage in upward motions until fully absorbed. Use in the AM/PM.

SPIDER WEB EXTRACT

Harnesses the power of nature using Spider Web extract. It is a luxurious skin care solution designed to visibly tighten and firm skin. Spider web extract is known for its unique ability to improve skin elasticity and support collagen production.

PRO TIP

This is a great product to be combined with other anti - aging products containing collagen and peptides as they work synergetically to provide multi anti-aging function.
