

THE NECK LIFT

Krx
AESTHETICS

Intensive Firming Line

COLLAGEN BASED INGREDIENTS

Help restore firmness and elasticity by replenishing collagen, which naturally declines with age.

FOCUS ON SKIN AGING

Collagen or collagen-boosting ingredients help to replenish and stimulate collagen production, reducing

- Wrinkles
- Fine Lines
- Sagging Skin
- Aged Skin Texture

About THE NECK LIFT

Krx Aesthetics's The Neck Lift homecare targeted treatment designed to address sagging and loss of elasticity in the neck area. Formulated with collagen-based ingredients, it helps firm, tighten, and lift the skin, promoting a smoother and more youthful appearance. Ideal for reducing the visible signs of aging, it restores skin firmness and enhances texture, giving your neck a revitalized look.

Sculpting Duo

The Neck + Face Lift

See Results in 28 Days

Together, they work to combat sagging, fine lines, and loss of elasticity. The Neck Lift firms and tightens the delicate neck area, while The Face Lift targets facial sagging, smoothens fine lines, and restores a youthful complexion. Packed with collagen-based ingredients, this dynamic pair delivers noticeable results, leaving your skin firmer, lifted, and more radiant.

The Texture

22 effective active ingredients

Formulated with Absorbable Micro Collagen that forms a thread like texture, this unique formula boasts a stretchy, cheese-like texture that works to tighten, lift, and restore skin elasticity for a visibly firmer and youthful complexion.

Proven Results

6 WEEKS

Sunken skin and wrinkles diminish as elasticity visibly improves

4 WEEKS

Wrinkles fade, skin plumps, elasticity improves, and youthful skin is restored.
